Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an Internet facsimile comprising a controller configured to determine whether received e-mail includes a text part when it is determined that the received e-mail comprises a multipart structure, and determine whether the text part includes only a predetermined code, the received e-mail being printed without printing a text part page when it is determined that the text part includes only the predetermined code as claimed in claim 15. Similar features are claimed in claims 19, 34, and 35. Therefore, claims 19, 34, and 35 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark E. Wallerson whose telephone number is (571) 272-7470. The examiner can normally be reached on Monday-Friday - 6:30-4:00.
